WASHINGTON, D.C. 20505

14 December 1983

Mr. William Hamilton  
Director, Office of Systematic Review  
Bureau of Administration  
Department of State  
Room 1239, New State Building  
Washington, D.C. 20520

Dear Bill:

You recently mentioned that your records indicated a final reply from CIA still missing on Vol. X, FRUS, 1955-57, "East Asian Security and Indochina." We have checked our files and are enclosing copies of two letters we thought were final statements on this FRUS volume.

CRD originally reviewed galleys on Vol. X in 1979. In 1981, State's History Office requested a re-review (and release) of twelve items originally denied in our 1979 reply. After some internal Agency coordination, our reply to this request was sent on 30 June 1981. A copy of the final draft of the 30 June reply is enclosed; there is no copy in our records of the signed copy.

During this same time period (1981), we apparently asked State if we could see more of the final FRUS than the selected gally pages we had been receiving. Consequently, we received the original rough draft of Vol. X, which we again reviewed. A copy of our signed, final reply of 10 September 1981 is also enclosed.

Sincerely,

Chief, Classification Review Division  
Office of Information Services  
Directorate of Administration
